

POLITE CLIENT NOTICE

We would like to take this opportunity to remind all of our clients that we are a learning environment.

Our students are currently **TRAINING** to become therapists/stylists and the treatments you would like to receive need to be learned to a professional standard, before they can be provided for you during our commercial salon sessions.

The treatments prices are a reflection of not only the environment you receive your treatment in, but also the level of student who is performing your service.

Due to this, we work with our students to ensure they are ready and comfortable to complete the desired professional treatment.

Treatments may change or be cancelled at short notice and each treatment you receive will differ slightly as they find their confidence within each service.

We thank you for your co-operation and continued support of our student's journey within the hair and beauty department.
