

Enjoy treatments from our hair and beauty students whilst they are training in a professional environment.

Please note as a training salon we strive to create a realistic working salon, however, due to the nature of the training treatment timings may vary slightly. Please take this into account when making your appointment.

Treatment availability may change during the academic year according to our student's learning needs.

Children under the age of 16 years are not permitted in the hair or beauty salons and cannot be looked after in our reception area.

We are open Monday to Saturday term time with both daytime and evening appointments.

Appointment times will vary dependant on the course timetable.

Beauty treatments are available during holiday periods with a qualified therapist, additional charges apply.
